

ICA End Point Assessment Organisation (EPAO)

Delivering high-quality,
robust assessments
across a range of
apprenticeships

ICA End Point Assessment Organisation (EPAO)

We work with training providers and employers to deliver high-quality, robust assessments across a range of apprenticeships.

Our large pool of current senior industry practitioners and subject matter experts ensures that assessments are relevant and reflect current industry practice.

Our internal quality assurance processes are simple and transparent to ensure assessments are fair, reasonable, and reliable.

We provide extensive guidance to employers, training providers and apprentices, so all participants know what to expect.

Why choose ICA as your End Point Assessment organisation?

We will provide

1

Dedicated independent end-point assessors who are subject matter experts

2

Robust processes and quality assurance

3

Quick turnaround of results

4

A flexible, fair, and easy-to-understand pricing structure

5

A simple scheduling process, with a team on hand to support you at each stage

6

A single online platform for apprentices to use to access all of the forms and information, and for submitting their work

7

Guidance sessions for apprentices on how the EPA will be conducted

Our credentials:

- Approved by the Education and Skills Funding Agency (ESFA) and listed on the Apprenticeship provider and assessment register (APAR), register number EPA0097
- Regulated by the Office of Qualifications and Examinations Regulation (Ofqual) as an end-point assessment organisation (EPAO). The Ofqual Recognition Number: RN6068

Can't see what you're looking for?

If you can't find the standard you are looking for but would like to work with us, then please get in touch at epa@int-comp.org to discuss your requirements.

We are constantly adding new standards to the services we provide and are happy to consider any new requests.

Fee information

- We ensure that we offer fair and competitive fees to our customers.
- We take into account the level of assessment and the number of individual parts that make up the EPA when calculating the fee.
- We can offer discounts to our standard fees based on the volume of apprentices.
- We invoice for 10% of the fee at the point of registration, with the remainder invoiced for after the EPA has been completed.
- Resit fees are charged at a reduced rate and applied only to the individual element(s) that were failed

ICA provide a range of free support materials to help apprentices prepare for their EPA

The End Point Assessment Journey

A single online platform for apprentices to use to access all of the forms and information, and for submitting their work.
