For Company-sponsorship, the course fee subsidy is applicable to the course fee excluding the GST amount. The Fee payable after IBF Funding will be reflected under the Net Fee Model Table on the Invoice.

The Company **will not need** to submit a claim for the sponsored employee under nett fee payment model. All such claims will be submitted by ICTA. In order for ICTA to make the claim on behalf of your company, we require the Company Representative / Training Administrator's contact details in the funding worksheet. Without these details, the claim will be rejected.

Claw Back Policy

As per IBF regulations, the fee subsidy is applicable only to trainee who has successfully completed the programme and passed the assessment. In the event a company-sponsored individual based on the scenarios below, we the Training Provider have the right and the legal responsibility to claw back the full or appropriate fee subsidy from the Company within 2 months from the completion of the programme.

- did not successfully complete within 120 days from programme end date (including passing all relevant assessments and examinations)
- did not successfully complete within the funding stipulated time period
- did not complete the attendance requirement (i.e., attendance to all workshops)

The Company is liable for the payment of all fees in the event of any of the above scenario.
